# Using fring

---

## Registering to fring

Once the installation is complete, you are now ready to select your fring user-ID, your password, and you full name as it will display in the application.

**Figure 2 - Registration Screen**

If you have already registered with fring, choose **Login** and enter your existing credentials to log in (If you forgot your password you can use the password retrieval '**Click here**' link at the bottom of this page):

**Figure 3 - Existing user login**

If this is your first use of fring, please choose '**Next**'.

Follow the instructions on the following screen:

**Figure 4 – Account setup**

The registration screen allows you to select your nickname and the password you will use to access your fring account.

Email address is required for password retrieval purpose.

You can also fill your phone number (international format) for password retrieval via SMS and for your friends to be able to find you in the fring network.

**Note:** Passwords must be at least 4 characters.

Finally, read the '**User License Agreement**' by clicking the '**User license**' link, mark the check box next to it and Press '**Register**' to complete the registration and start using fring.

## Calling in fring

In fring you have two call options:

- Calling your fring or Add-on's contacts from the My Friends.
- Calling your phone contacts from the Contact list.
- Calling phone numbers by using the Dialer.

## Voice call your friends

### ➤ To call a fring or an Add-on contact:

1. Open the fring contact list; choose a contact you wish to call and press the **Green Call** button.

Figure 5 – Initiate call/chat

2. On your screen you can see the call screen. To end the call press **End call**.

2. Click the **flag** icon and select the country you would like to call.

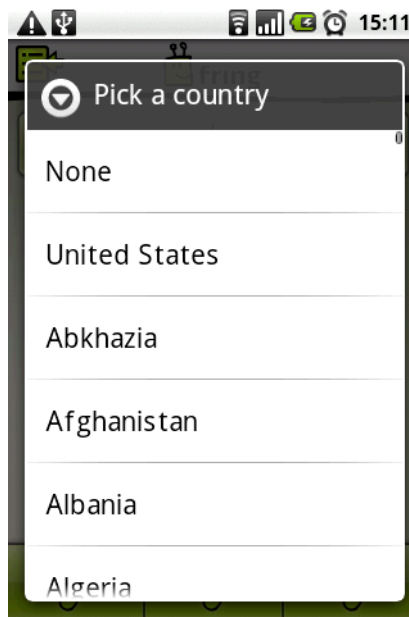

Figure 10 – Choosing country

3. Dial the number and choose the method you would like to use to make the call.
4. On your screen you can see the call screen. To end the call press **End call**.

**Notes:**

- To make a call from fring to a none-fring contact, you must have sufficient fringOut credits.
- To make a SIP call from fring, you must have a SIP account with enough credits to complete the call. SIP credits cannot be purchased from fring, only directly from your SIP provider.

## Video call your friends

fring's DVQ™ (dynamic video quality) technology adjusts to your mobile operator's bandwidth to give you the best video quality possible and ensure clear audio. That means that rather than getting a standardized, basic call quality, you get the optimized video call based on your particular bandwidth.

Video calls are supported to fring contacts using fring on supported devices.

### ➤ To initiate a video call:

1. Open the fring contact list, choose a fring contact you wish to call and press the **Blue Video Call Button**.

Figure 11 – Initiate a Video call

2. On your screen you can see the call screen. To switch camera, press the **switch button** on the left side. To end the call press the **Red End call** button.

# fringOut

---

fringOut is a feature that allows users to call any phone number for almost-free. fring users can call landlines and mobile phones from 1c/minute.

Now, in addition to fring's free services of calling, video calling and chatting to other fringsters for free, fringOut lets users call friends not yet on fring at great rates.

## Sign in to fringOut

To Sign in to fringOut for the first time, select the fringOut icon at the top right handside of fring's contact list. Now select '**Buy credit**':

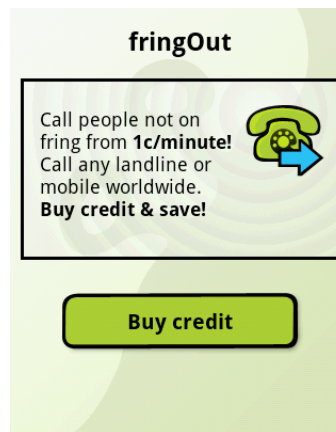

Figure 23 – accessing fringOut

You will now be redirected to the fring mobile **Self Care** system:

## Options and settings

---

### Subscribing to Add-ons

Once you have chosen your fring nickname and password, you can provide the details of your Add-ons (e.g. MSN Messenger, SIP, Gtalk, ICQ etc).

**Note:** You can subscribe to one or more Add-ons (e.g., Gtalk) to which you are registered. **Make sure to have your username and password for each.**

If you do not already have an Add-on account, register on the Web before you begin to add networks. You can subscribe to Add-ons at any time. To subscribe to an Add-on now, follow the instructions below.

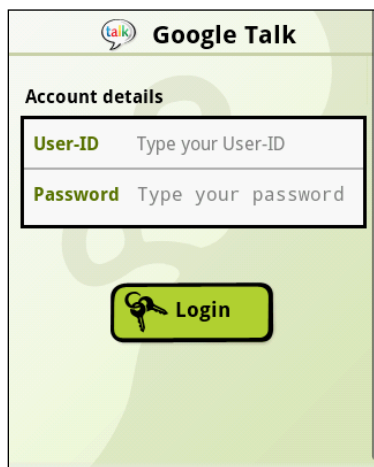

➤ **To login to an Add-on:**

1. Click on the **Menu** button and choose **settings > Add-ons**, The following screen appears:

**Figure 29 – Add-ons**

2. Select the add-on to which you would like to subscribe:

**Figure 30 – Subscribe to an Add-on**

3. In the '**User-ID**' field, type the username of the Add-on you have selected (e.g., your Google Talk username).
4. In the **Password** field, type the password of the Add-on you have selected (e.g., your Google-Talk password).
5. Press **Login**.

The Add-on selection screen appears and you can see a green "V" sign which states the subscription was successful.

If you are interested in subscribing to an additional Add-on, repeat steps 2 to 5 in this section.

If you have completed selecting your Add-ons, navigate back to the Contact list.

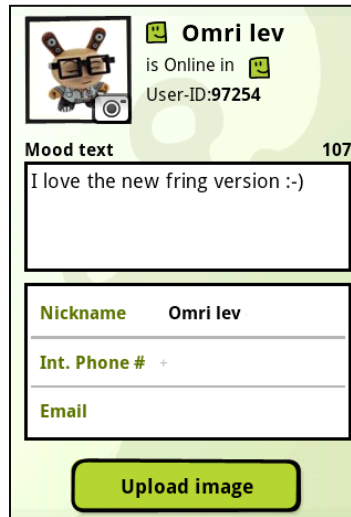

6. Once the sign-in is complete, the Contact list of your fring contacts, selected Add-on(s) contacts and the handset's contact list appears.

**Note:** If you have added more than one Add-on, the Contact list will display contacts from all Add-ons in a single list.

You have successfully completed the registration. You are now ready to make your first call.

## Profile

In fring you can edit and manage your profile.

The screenshot displays a user profile interface. At the top left is a profile picture of a robot-like character. To its right, the name 'Omri lev' is shown with a green status icon, followed by 'is Online in' and another green icon, and 'User-ID:97254'. Below this, a 'Mood text' section contains the text 'I love the new fring version :-)' and a character count '107'. Underneath is a form with three fields: 'Nickname' (containing 'Omri lev'), 'Int. Phone #' (with a plus icon), and 'Email'. At the bottom is a green 'Upload image' button.

Figure 31 – My profile

➤ **To access your profile in fring:**
